ATIR GLOBAL ERG CHALLENGE 2019

Ocean Recovery Alliance Ltd
TOGETHER, WE CAN MAKE A DIFFERENCE.

In honor of the ocean, for this year’s Around The Island Race, we are excited to be hosting the ERG Challenge Relay Race around the Island (45km) on 9th November and also a fundraising drive for Ocean Recovery Alliance (ORA) - to promote the concept of reciprocation to develop the resources we are using to build the sports.

We hope your team can help to raise the much needed funds in support of their continual work on ocean protection and the rowing sports. We invite ATIR 2019 participants and members of the public to join us to raise funds for this meaningful cause.
Some of Ocean Recovery Alliance's projects include the "Grate Art" program. This just received approval from the government for the installation of ceramic plaques on the streets of the Southern District to remind people not to dump into storm drains, as they drain to the sea.

We have also written a play for children around the world to remember to recycle and use better waste management. "Uncle Roo - the Recycling Rooster" reminds children to recycle using "Eco-Repetition" via the daily sound of the rooster.

Our Global Alert platform/app allows you to report on trash hotspots anywhere in the world's waterways and coastlines.
GO THE EXTRA MILE AND BE A CHAMPION FOR THE OCEAN!

Ways To Support

DONATE - Click on "Donate Now" on Simplygiving to give towards supporting Ocean Recovery Alliance cause.

FUNDRAISE - You can also create your fundraising page; upload profile photo and include a short message. Invite friends to support by donating to your page. Click on “Start Fundraising” to create your fundraising page today!
Helping People Make a Difference
